

How can we show Honesty?

Honesty at School

- Think before you speak.
- Avoid telling tales: report the important.
- Play games fairly without cheating.
- Being dishonest can lead to consequences.
- Tell the truth when recounting an incident: tell it as it is without exaggerating.
- The best friendships are based on honesty.

Honesty at Home

- Own up, admit your mistakes.
- Don't keep secrets: some secrets need to be shared.
- Remember that lies usually catch up with you.
- Be honest with yourself about who you are and what you can do.
