

## The Bicycle Board Game

Do you love bikes and board games? We have a game for you.

### What you'll need

- A dice
- The Bicycle Board Game ([Download here](#))
- Something to use as counters

Make your way around the Bicycle Board Game

### Instructions

1. Print off the [Bicycle board game](#)
2. Carefully cut out the Disaster and Smart Cards and place them face down on the squares provided.
3. Put your counters on the Start mark.
4. Roll the dice, and move forward that number of spaces.
5. If you land on a green or red square, pick up the corresponding card and follow the instructions.
6. Return the card to the bottom of the pile.
7. **If you pick up a card and land on another coloured square, do not pick up another card as your go is now over.**

We hope you enjoy our Bicycle Board Game. Why not create and add some of your own Disaster and Smart card ideas?
