

Settling in Dates and Times

Please find below important information regarding dates and times for the transition into Year 1. A copy of this will be posted on your child's Seesaw account. Take note of time changes as they are different throughout the induction process.

To help make the process of starting school a positive experience for children, we start them in smaller groups and gradually build up to a full class. This information is therefore individual to your child and may differ from others.

Please bring a small, healthy snack and drink to each session.
