Year 7 2026/2027

For our return in August, we will expect you to have the following items every day!!

- Standard HB pencils
- Rubber

The following items would be of use if you wish to bring them as well:

- Pritt stick
- Colouring pencils
- Felt tip colouring pens
- Scissors
- Dictionary/Thesaurus
- A packet of tissues

Keep your brain academically active during July and August. Year 7 is fast and furious, so you need to be warmed up and ready to go from the very first day!! It would be a good idea to practise multiplication tables over the summer to stay sharp.

Above all, we need you to come to school in August with a positive attitude. No matter what, it's imperative that you give your best!
